THE DA50 SUPERSTAR

A new class of piston-powered aircraft

There is nothing like it on the market today

- spacious and luxurious composite five-seat aircraft
- designed for the demanding piston pilot who needs to go farther, faster without sacrificing carrying capacity.

THE DA50 SUPERSTAR

Get in a go !

Getting you, your passengers and all of your gear flying is a snap with the DA50.

- Three large passenger doors
- A separate baggage door
- Massive 5 ft long baggage compartment

Access in and out of this aircraft could not be easier.

THE DA50 SUPERSTAR

High performance power

- Teledyne Continental TSIO-550F
- 350 horsepower, twin turbocharged
- FADEC engine
- 3 or 4-blade constant speed propeller (TBD)

THE DA50 SUPERSTAR

A glass cockpit you would find in a business jet

- 3 screen Garmin G1000 avionics
- Dual PFDs
- Plus a separate MFD
- GFC700 autopilot / FD
- Terrain awareness
- Active traffic
- Satellite weather & entertainment
- Digital chart systems.

THE DA50 SUPERSTAR

Operational safety & convenience features

- FADEC controlled single lever throttle reduces pilot workload.
- Smartly designed cockpit with overhead breakers and switches reduces clutter and adds to visual appeal.

THE DA50 SUPERSTAR

Luxury that rivals the finest automobiles

- 52 inch-wide front cabin – the widest in the industry
- Plush, adjustable leather seats
- Optional automotive style air conditioning

THE DA50 SUPERSTAR
